

Friends of Crestwood Hills, Inc.

Friends of Crestwood Hills, Inc. is a Non-Profit 501c3 corporation originating in 2017. The primary purpose is to be a tax-exempt fundraising entity to raise funds for the betterment of Crestwood Hills Golf Course and to promote golf in general to our local communities and our youth. Some initial fundraising items we would like to address are raising funds for additional cart paths throughout the course, replacing aging golf course and clubhouse equipment, planting and replacing trees throughout the course and promoting and expanding our youth golf program. We welcome other suggestions as well.
